Executive Order 117, effective November 15, 2008 restricts contributions to County Political Party Committees and Municipal Political Party Committees. Proceeds will benefit the Republican Committee of Union County. New Jersey law prohibits entities operating in certain regulated industries (casinos, financial institutions, insurance companies, utilities) from contributing. Vendors doing or seeking to do business with the State of New Jersey and certain individuals associated with those vendors may also be prohibited from contributing **in excess of** \$300 per election. Election Law allows contributions with a limit of \$37,000 annually from individuals, PAC's and corporations.

A partnership or limited liability company may not contribute as an entity. However a check from a partnership or limited liability company may be accepted so long as it is accompanied by a letter allocating the contribution to the individual partner(s) or member(s) and is signed by each contributing partner or member. The letter must include each contributing partner's home address. A partner's total contribution, through the partnership and personally, cannot exceed the \$37,000 annual limit. Contributions are not deductible for state and federal income tax purposes.
